

2018-2019 SUMMER READING LIST

Dear Parents and Students,

Here is the high school summer reading list. This is mandatory, NOT optional. Each student entering 9th- 12th grades will be required to read two books over the summer.

The first is a biography of the students' choice. All biographies must be approved. Students may e-mail me (obcs.mccarty@gmail.com) or text me at 444-2468 for approval on their chosen biography. Oral presentations will be due on biographies the 2nd week of school. This will be presented by Power Point or in character.

The second book should be chosen from the following list. Test will be given over these books the first week of school. Many of these books can be checked out from the school library. The summer office hours are Monday – Thursday, 9:00 a.m. – 3:00 p.m.

If you have any questions or are not sure of the author of the book you select from the list, e-mail or text me. Have a safe and happy summer, see you in August.

Mrs. McCarty
